引领你进入国际金融市场之路

PROGRAM OVERVIEW

课程简介

The Master of Science (MSc) in Finance program is designed to provide participants with the practical skills and essential theoretical underpinnings of finance for a successful career in financial institutions and organizations. The program, which consists of 12 courses, focuses on developing analytical skills in formulating and implementing financial solutions and strategies in an investment and trading environment.

本学位的课程设计旨在为学生提供金融财务领域的精华理论和实用技能教育，从而为金融界培养一批优秀的专业人才。课程共设十二个模块，着重培训学生在投资及交易等专业领域应用和规划金融财务方案及策略的分析能力。

PROGRAM HIGHLIGHTS

课程特点

Bilingual Program in Chinese and English

The program will be conducted primarily in Chinese with 4-6 courses in the last 2 semesters conducted in English. A course in 'Business English' will be conducted in the first two semesters to enhance participants' English proficiency.

Provides wide international exposure

Participants will have opportunities to network with and attend seminars conducted by industry leaders from international financial institutions.

Imparts realistic practical financial solutions

Courses are taught using real-world data and cases in a simulated financial market.

Large pool of experienced faculty members

Nanyang Business School's faculties are well regarded for their strong academic qualifications, first-rate teaching skills and rich industry experience across a diverse range of disciplines. Professionals from the finance and banking industry and visiting professors from top international universities are often invited to teach in the program.

双语教学 — 中英文

课程前两个学期的科目以中文授课为主，后两个学期有4-6门科目以全英文授课。为帮助学生提高英文水平，前两个学期内会提供商务英语的学习。

提供广泛的国际视野

一年的新加坡在校学习提供诸多机会和国际金融机构接触，同时也会安排金融界知名人士讲演最新的金融投资实用技术。

融入最新的实用金融解决方案

课程将采用真实案例和数据，使用模拟金融市场环境教学。

强大的师资阵容

教授们都具有深厚学术背景及丰富实战经验。他们主要来自南洋商学院，同时金融银行界的资深人士及其它著名大学的知名教授也将受邀授课。
